

Octopus App for Business now enables taxi drivers to accept Octopus payments from ALL Hong Kong people!

Mobile Devices are now Octopus Readers.

Octopus for Business

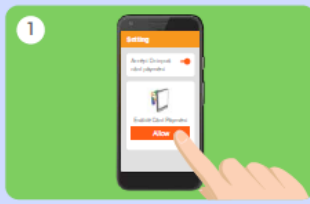

From now on, receiving Octopus payment is easier than ever.

- **Octopus App for Business** now allows taxi drivers to **transform their NFC mobile devices into Octopus readers**, to receive payments from Octopus cards (including Smart Octopus in Samsung Pay) on top of O! ePay QR Code.
- Speech recognition feature allows taxi drivers to input the payment amount swiftly.
- Passengers can give tips by asking the taxi driver to add the tips when paying by Octopus card or by selecting the tip option when paying by O! ePay QR Code.
- Taxi drivers can download the *Octopus App for Business* on Google Play or App and apply for a Business O! ePay account via a simple registration procedure with the upload of the taxi driver identity plate and banking document. An SMS notification and an email notification will be sent upon application approval.

Supporting Cash-based Businesses and Trades like the Taxi Industry

After upgrading or installing the *Octopus App for Business*, Android mobile devices users will be provided with a tutorial on how they can enable the Octopus card acceptance service.

1 Enable "Accept Octopus card payment" in "Settings", and allow "location and motion detection permission".

2 Place the Octopus card at the NFC area of your mobile device until the "success" message is shown.

3 Complete 5 times of card tapping before accepting Octopus card payment.

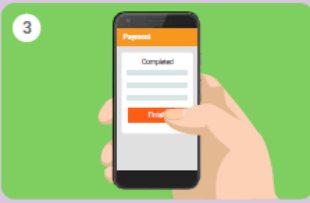

Upon completing the tutorial, taxi drivers can receive payments from either **Octopus cards** or through **O! ePay QR Code**.

1 Select "Payment" in the main menu in Cashier Mode and input the payment amount.

2 Generate the payment page with electronic QR Code for placing Octopus card* on the back of the mobile device or scanning electronic QR Code with Octopus App O! ePay for payment.

3 The payment receipt will be shown on screen once the payment transaction is completed for customer's review.

From now till 29 June 2018, taxi drivers successfully sign up for a Business O! ePay account can enjoy

- (i) HK\$150 welcome reward, plus a HK\$200 usage reward (if the cumulative taxi fare reaches HK\$1,000 in the first 30 days)
- (ii) a waiver of the first 12 months' Bank Account Fund Transfer Fee.
