Useful Tips for using Tourist Octopus – China T-Union Card (Sold version):

1. Holders may add value to their Octopus at all Octopus Authorised Add Value Service Providers with cash up to a maximum of HK\$3,000. Please remove the packaging before adding value.
2. The exchange rate on the card is renewed when you add value and has a validity period. You are suggested to add value to the card before your trip to the Chinese Mainland or Macao, in order to renew the exchange rate and ensure the card has sufficient remaining value.
3. Place your Octopus steadily over an Octopus reader or reader with China T-Union mark, hold and wait until you hear a "Dood" sound and there is an indication that the transaction is completed and the remaining value is shown on the screen before removing your Octopus. If the transaction is incomplete because you hold your Octopus too quickly over a reader, please present it over the reader again.

4. Please record your Octopus number for future reference. If the Octopus number cannot be identified, Octopus Cards Limited may not be able to refund the remaining stored value on the Octopus.
5. Do not hold more than one Octopus, or an Octopus with another contactless smartcard, over an Octopus reader at one time.
6. Do not tamper with your Octopus, such as bending, writing on, scratching, cutting, or pasting stickers, photos or accessories on it, otherwise, transactions will be not honoured and remaining stored value will not be refunded.
